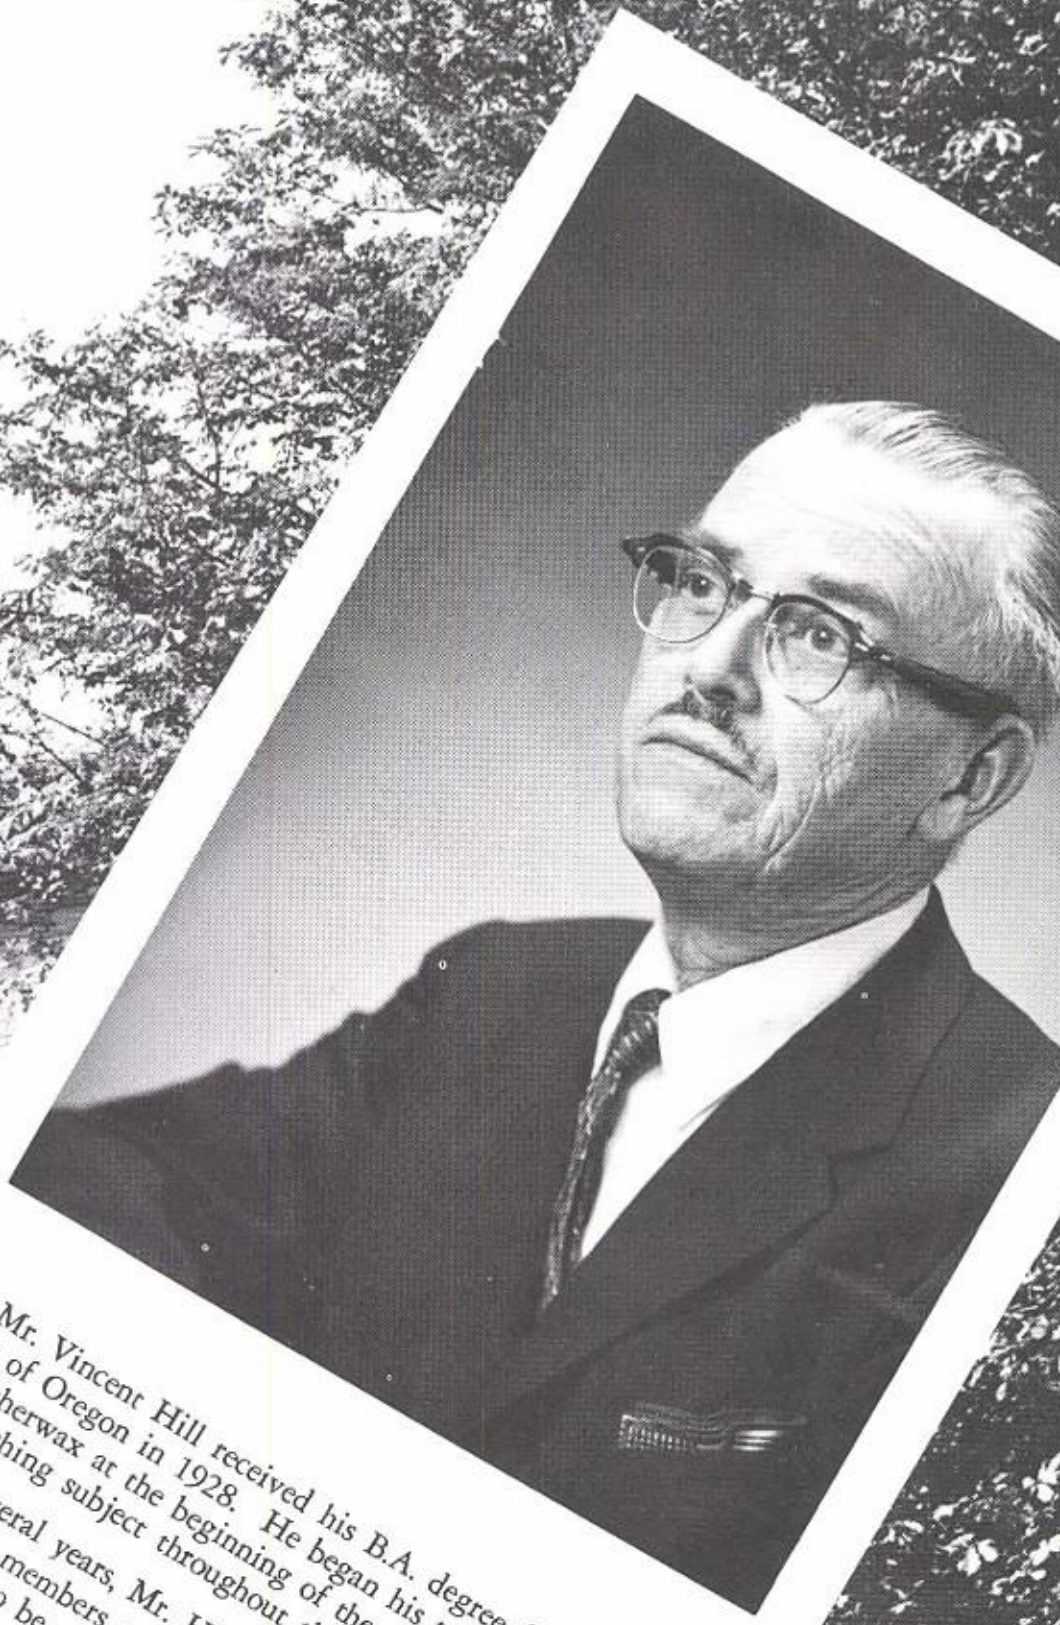
# FOREWORD

We have spent the last year as a part of Weatherwax. Together we have worked and played. Our steps have taken us into fields of learning both new and different. Let us continue in the steps to maturity as we leave high school and enter a new, more challenging world.

In this Quinault, we have tried to capture in words and pictures the events of the school year, 1962-1963. It is hoped that memories of this year's games, dances, and club activities, as well as classes and studying will be preserved in this book.

We would like to thank all those who have helped the staff in the production of the Quinault and in particular, Dell Mulkey, Leslie's Studio, and Jones Photo Company, for their excellent photography work. We now proudly present to you, the Quinault—1963.

Judy Horin
and
Betty Jo Meiggs



Mr. Vincent Hill received his B.A. degree from the University of Oregon in 1928. He began his teaching career here at Weatherwax at the beginning of the next school year. His main teaching subject throughout the years has been English.

For several years, Mr. Hill sponsored a Creative Writing Club, whose members wrote poems and published a book, which proved to be a worthy literary effort.

Another activity that has benefitted from Mr. Hill's service has been the Camera Club, which he himself founded. His great interest in photography has inspired many students to further develop their talents in this field. In years past he has aided the Quinault and Ocean Breeze staffs in their photography work.

The Activity Point system has been a favorite project of Mr. Hill. Through his organization, the system has become a model of efficiency and much easier for students to understand.

Because of his long-standing and untiring efforts in behalf of the students of Weatherwax High School, we dedicate this, the 1963 Quinault, to Mr. Hill.

## PRESIDENT'S MESSAGE

The school year 1962-63 was started with the Senate taking a much more active part in school affairs and decisions.

The Senate is made up of the Student Body officers, four boy and four girl senators from each class, the class presidents, Council of Girls President, Boys Federation President, and leaders of various school organizations and activities. Mr. Newman, Vice-Principal of the school, served as our advisor throughout the year and we owe much of our success to his fine guidance. Meetings were held on the first and third Wednesdays of each month to work out school problems. The Board of Control met on the first and third Mondays of each month to prepare the agendas for the Senate meetings.

The problem of Senate representation was considered in our meetings. Many students felt that the Senators weren't serving as true representatives of the classes. Many new ideas were suggested. A result of our work is that representation will be readjusted in the future.

The Student Body assemblies were very well organized and a talent assembly was held, which proved to be a great success. The Pep Club did much to stimulate pep at the assemblies and various sporting events.

The litter problem was acted upon by the Senate and various campaigns were held during the year to improve the appearance of the campus.

The school year was a very successful one thanks to the combined efforts of the Council of Girls, Boys Federation, Girls, Athletic Association, and many other school organizations. All of these people deserve special recognition and thanks.

The Senate meetings were conducted in a much more business-like fashion this year. The first couple of meetings were spent practicing parliamentary procedure. With this method of operation the meetings proceeded more smoothly and more items could be discussed.

As Student Body President, I would like to thank the members of the Board of Control, the Senate, the faculty and the students for their fine support and interest in school affairs.

## Principal's Message

One never ceases to be amazed by the initiative and originality displayed by each succeeding Quinault staff. It is true again in '63. To the staff and faculty adviser "thanks" for another fine issue.

The interest in student government, the responsibilities accepted and discharged, the cooperative spirit evidenced in spite of the crowded conditions and a renewed application to learning have all been apparent this year. That this is true is supported by complimentary letters from school, police, and flu vaccination officials and by comments from teachers new to our school. We can be proud of these achievements for this is the spirit of Weatherwax.

To the Class of '63, congratulations and best wishes. We are a better school as a result of your leadership and endeavors.

As a faculty, we hope you will continue to use this leadership and endeavor for the benefit of self and country. May we paraphrase the words of John Glenn: "As your knowledge . . . increases, may God grant you the wisdom and guidance to use it wisely."

*Ben O. Curran*

Mr. Norman Newman, Vice Principal

## District No. 5 in Action

This past year the Aberdeen School District has been especially active with the construction of the new addition to Weatherwax High School.

During the summer, bids were opened for driving of the pilings which would support the new building. In October, the long-awaited project was begun and continued for several weeks.

Early in November, bids were again called for further construction of the building. Work soon began and has progressed steadily throughout the school year.

Although sometimes hampered by adverse weather conditions, the construction men could be seen daily working to erect the new part of Weatherwax.

The 1962-1963 school year has been a most interesting one. Various stages of progress and completion on the addition have been noted with great enthusiasm by many people of the city of Aberdeen as well as by the students.

Although the "old" Weatherwax will never be quite the same, it is hoped that the additional building will provide the school with improved facilities and a thus improved program of education.

# PEP CLUB

PEP CLUB OFFICERS: Diane Henry, Secretary; Linda Clark, President; Betty Jo Meiggs, Vice President; Judy Norin, Treasurer.

Pep Club consists of twenty-five girls from each class. These girls are usually chosen at the beginning of their Sophomore year and retain their membership for three years.

One may recognize a Pep Club girl by her great school spirit. They are responsible for the pep signs that decorate the halls during football and basketball seasons.

The first activity sponsored by Pep Club is the planning of Pep Week decorations before the Thanksgiving game. It also handles the election of the Pep Court.

Another main project the club supports is the annual May Dance. The girls are divided into a number of decoration committees and they also make plans for the May Court coronation.

The officers for 1962-63 were: Linda Clark, President; Betty Jo Meiggs, Vice-President; Diane Henry, Secretary; Judy Norin, Treasurer. Mrs. Minnie Fenenga was the club's very helpful advisor.

# "A" CLUB

The "A" Club is a large organization consisting of lettermen from football, basketball, wrestling, swimming, track, baseball, golf, tennis. Officers for the 1962-63 school year were: President, Verl Potts; Vice-President, Gary Hanson; Secretary, Jim Furth; Sergeant-at-Arms, Jim Welch.

The Club has been quite active this year. The annual "A" Club dance was held in December at the Huntley Building. All proceeds from the dance were used for the George Palo Memorial Trophy.

An active group within the organization was the Traffic Committee, which was in charge of student parking. They registered student cars and distributed Bobcat stickers.

The members were also responsible for keeping the grounds around Weatherwax free from litter and assisting the Orthopedic Society with the license plate collection drive.

In the spring the initiation party was held at the Natatorium. Members enjoyed swimming, volleyball, and basketball. They finished off the year in grand style.

"A" CLUB OFFICERS—Verl Potts, President; Gary Hanson, Vice President; Jim Welch, Sergeant-at-Arms; Jim Furth, Secretary-Treasurer.

## QUILL & SCROLL

The Weatherwax chapter of Quill and Scroll, a national honorary journalism society, consisted of 24 members this year. This number gave the club its largest membership in recent years.

Those chosen for membership in Quill and Scroll must have a "B" average and must show exceptional work on one of the school publications, either the Quinault or the Ocean Breeze.

Quill and Scroll held a meeting early in 1963 to plan its initiation ceremony for new junior members. These new members were announced at the Honor Society Banquet in February.

The Quinault staff was represented in Quill and Scroll by Steve Baretich, Sharon Baumgardner, Jill Ekar, Penny Sue Fickeisen, Neena Groseclose, Sandy Jelovich, Elise Jorgensen, Mary Kutchera, Gloria Larson, Betty Jo Meiggs, Judy Norin, Cathie Novak, Cathie Schoening, and Sandy West.

Representatives of the Ocean Breeze staff were Marcia Allen, Tom Edison, Doug Osheroff, Melanie Hancock, Kathie Hicks, Bill Sipila, Liz Lucas, Sue Berkman, Bev Nelson, and Janice McNulty.

Mr. Norman Sherlock was Quill and Scroll advisor for 1962-63.

The Quinault staff of 1963 has worked especially hard this year to produce a yearbook which would be just a little different and perhaps somewhat exciting. The main objective of producing this year's Quinault has been to produce a book which would hold many memories of the past year at Weatherwax High School.

The staff members began the year during the summer of 1962 with the sale of advertisements. Then in the fall, when the theme "Steps" was chosen, the Quinault class began the long process of producing the pages for the annual. This chain of events consisted of originating ideas, drawing up dummy and final pages, taking pictures, and writing copy. Finally the pages were sent to the Yearbook House, and all of the Quinault staff members anxiously awaited their return to Weatherwax.

Overseeing the creation of the 1963 Quinault were Co-Editors Betty Jo Meiggs and Judy Norin, and the staff advisor, Mr. Traxler. All members of the Quinault staff were equally important in the publication of this book which is now presented to you.

# Breeze

"Increase" is the word which best describes the 1962-63 staff, quality and popularity of the Ocean Breeze.

The staff, numbering about thirty members, was the largest the paper has ever had. The students in charge were: Editors-in-Chief, Melanie Hancock and Doug Osheroff; Business, Bev Nelson; Advertising, Kathie Hicks; News, Liz Lucas; Features, Marcia Allen; Sports, Tom Edison; Photography, Bill Bell.

Mr. Sherlock, the advisor, helped tremendously to increase the size and quality of the paper. His great efforts were reflected in this year's issues.

Coverage of school events was improved and increased this year. Each student had a specific beat, a school club or activity, which he was to report on throughout the year.

The paper was increased to six pages for regular issues, eight pages for special Christmas and graduation issues. It was issued sixteen times during the year. Innovations such as more columns and bold faced type at the beginning of paragraphs facilitated reading while giving a well-organized over-all look. The many pictures appearing in each issue were taken and developed by the staff photographer. Features covered a wider area and contained more human interest articles.

For the first time, the Ocean Breeze sold subscriptions. The sale was successful and showed that the paper is popular among the students.

During the year one heard many comments of praise concerning the paper. It was certainly an excellent and up-to-date periodical of current high school events.

# GIRL'S STATE

Marcia Allen, Judy Norin, Sharon Baumgardner.

Central Washington State College was perhaps the busiest place in the state from June 11-18 as 340 girls from all parts of Washington attended Evergreen Girls' State.

Sponsored by various Aberdeen service clubs, Judy Norin, Marcia Allen, and Sharon Baumgardner were selected to attend on the basis of potential leadership, school activities, and scholastic ability.

The event, directed by the American Legion Auxiliaries was well planned. The participants were addressed by many famous speakers on such topics as women in government and qualities of good citizenship. The girls gained a greater knowledge of how our government functions by practicing parliamentary procedures.

An outstanding thought told to them seemed to sum up Girls' State's main purpose: "Freedom is not for the lazy or indifferent—it is obtained by courage, love and high ideals."

## A Step Towards Good Citizenship

# BOY'S STATE

Last summer eight outstanding boys from this year's senior class at Weatherwax attended Boys' State. The representatives from Aberdeen included Stuart Markwell, Mike Stewart, Dave White, Alan Aho, Bill Kalin. Dick Bramsted, Jon Fovargue, and John Stoddard.

Boys from many parts of the state attended the conference in youth government which was held at Pacific Lutheran University at Parkland, Washington, June 17-24. Our city may be very proud to have sent one of the largest delegations for its size.

The boys had a busy schedule of activities and programs, including legislative sessions and a government election, during the week. They enjoyed several fine speeches by prominent Washington state citizens, among them Louis Bruno, State Superintendent of Public Instruction.

After their busy and exciting week at Boys' State, those who attended felt they had learned much about the workings of our government and how to get along better with others.

Debators from WSU

This year's debate season began with the appearance of the Washington State University and the Colorado State University debate teams to debate before the entire student body.

Shortly after this program our squad attended a practice debate in Elma. The debators also attended several other district tournaments and hoped to participate in the state tournament at Washington State University later in the year.

The next tournament was held at Pacific Lutheran University. With almost eighty schools entered in the contest, Aberdeen's Jon Bugher placed in the extemporaneous finals.

The forensics squad and the student body were grateful to the coach, Mr. Emerson, for his enthusiastic efforts.

Under the leadership of the new director, Mr. John Tuttle, the 129-voice choir of Weatherwax High School performed very well.

The first of several performances was the Christmas Concert. As in previous years, performances were given for the Kiwanis, Rotary, and Lions Club.

The choir, band, and orchestra co-operatively presented the Annual Swing and Spring Concerts. The choir performed admirably at the two District Music Meets.

The officers this year were Keith Olson, President; Judy McClintock, Secretary; Jim Wilson, Vice-President; Helene Amble, Marcia Gauntlett, and Linda DiFazio, Librarians; Jane Potts and Jeanette Smith, Historians; Cliff Motes, Student Director; and Judy Norin and Darlene Lapacek, Robe Chairmen.

# CHOIR

Mr. J. Gordon Edlund—Director

Under the direction of Mr. J. Gordon Edlund, the Weatherwax orchestra started the year with the largest string section in many years, and probably one of the best.

The orchestra began preparing before the opening of school for their annual appearance at the Western Washington Fair in Puyallup. Other traditional concerts presented were the Christmas Concert and Assembly, Swing Concert, Elks Concert, Spring Concert, and the Baccalaureate performance.

The members also displayed their musical ability for the Teachers' Institute, the Father-Daughter Night at the Elks, and the Southwest Washington Music Meet. For their annual exchange the orchestra traveled to Bellingham.

The officers this year were: President, Marlene Burr; Vice-President, Kathleen Nyman; Secretary, Shirley McInnis; Senior Representative, Susan Jones; Junior Representative, Jean Waddell; Sophomore Representative, Jane Bogle; Manager, Bob Bold.

Students, faculty, and townspeople have enjoyed immensely the beautiful music of the orchestra throughout the year.

OFFICERS: Marlene Burr, President; Kathy Nyman ,Vice-President; Shirley McInnis, Secretary.

# ORCHESTRA

For the second year the band was directed by our talented Aberdeen School District Music Supervisor, Mr. Hampton Wines. Sixty-one students were members, including fifty underclassmen.

An outstanding unit of Weatherwax's music department this year was the Marching Band, which was led by drum major, Bruce Schoonmaker, and majorettes, Shirley Homchick, Linda Keene, Cheryl Bailey, and Mary Ellen Prudhomme. The Marching Band performed half-time shows at two football games and participated very successfully in the annual Band Day at the University of Washington. The latter was a great honor and one of the highlights of the season.

The Pep Band was very significant in creating pep at assemblies and games. Their popular numbers were enjoyed by all. Many original ideas were incorporated into their assembly performances.

The Concert Band presented their annual performances at the Puyallup Fair, Swing Concert, and Spring Concert, and also attended the Music Meet. All of these groups brought honors to Weatherwax by their fine performances.

The Dance Band, a select group of band members, performed for several engagements.

The band groups and the music department generally certainly deserve much credit for their hard work and excellent performances this year.

This year the Bobcats have captured the S.W.W. crown for the second straight year. Frank Mach has coached the Bobcats to two championships in the three years he has been here. This is indeed an outstanding record.

One important factor that has helped Coach Mach is the assistance of high-calibre coaches. Al Eklund, head line coach, and Dewey Van Dinter and Dick Dixon, assistant coaches, have done a terrific job helping Coach Mach.

Another factor is the fine crop of senior ball players, eighteen in all, who have provided this great team with the leadership it needed to win the championship. All nine of the starting seniors were mentioned in the All-Conference ratings, and Larry Warwick, Jim Welch, Gary Hanson, Bob Oar, Gary Langhans, and Russ Kuhns were selected for the All-Conference first team. Oar was picked for the All-State first team.

When these two factors, great coaching and great players, were combined, the result was one of the best football teams in the history of Weatherwax. This team finished third in the state prep polls.

At the annual award assembly, Larry Warwick received the John Mashin Award; Verl Potts won the Coaches Award; Russ Kuhns was the winner of the George Savage Award; Bob Oar and Gary Hanson shared the Perry Clark Award; and Russ Kuhns and Verl Potts were recipients of the Co-Captains Award.

This year's team has extended the "B" squad's undefeated record to 24 games in four years. Mr. Dewey VanDinter and Mr. Dick Dixon ably coached the team to a 6-0-1 record. These two fine coaches deserve much credit for their efforts during this past season.

The "B" squad scored a total of 184 points this season, while Olympia, the only team to score against the Bees was held to only 18 points. The team averaged 26.2 points per game, while holding their opponents to an average of 2.6 points per game.

The 1963 "B" squad had a number of quick, hard-hitting backs including Gary Campbell, Tom Cosper, Jim Due, Glenn Gudaz, Jeff Snell, Tim Taft, and Brad Taylor. Although the backs usually score a majority of the points, this year's linemen came up with a few surprising touchdowns. Some of the tough linemen were Jim Dunning, John Eklund, Gordon Gibbs, Howard Harrison, Paul Heikkila, Doug McMinds, Bob Ollikainen, and Joe Parker. Many of these players will be back again next year on the varsity team, and the experience gained this year on the "B" squad will prove valuable to them.

JR. VARSITY BASKETBALL—ROW I: Coach Dixon. ROW II. Clavadetscher, Ancich, Balderston, Gudaz, Delia, Donaldson, Childers, Sipila, Hatfield, Harrison, Timmons, Godfrey.

This year's junior varsity team enjoyed a fine season under the leadership of Coach Richard Dixon. It was a hustling ball club with many fine qualities.

For the season, their record was thirteen wins and five losses, which is very impressive for a junior varsity squad. The team's first nine encounters were marked by successive wins until, in their tenth game, they met defeat by losing to a strong Hudson's Bay quintet. They outscored their opponents this season with a total of 931 points to 826.

The team consisted of many outstanding Junior and Sophomore performers this year—such men as Bob Donaldson, Glen Gudaz, Terry Timmons, Charles Sipila, Bob Henry, Howard Harrison, Harold Delia, Doug Hatfield, Jim Clavadetcher, Herb Godfrey, Paul Hiekilla, Frank Childers, and Andy Ancich. They will undoubtedly play varsity ball in the future.

This year the varsity wrestling team, coached by Dewey Van Dinter, has won eight of twelve matches and four of seven conference matches. This is the second year of organized wrestling and the first year that Aberdeen has participated as a varsity team.

Twelve men qualified for the sub-district meet held in Olympia, where Aberdeen placed third. Of those wrestlers participating in the sub-district meet, six qualified for the district contest, where we placed fifth.

The following qualified for the sub-district meet in their respective classes: 106 pounds—Ray Chouinard; 115—Rich Webber; 123—John Salick; 130—Don Rhoton; 136—Tom Nutter; 141—Clyde Umsheid; 148—Ron Welch; 154—Bob Wiscomb; 168—Paul Heiny; 178—Verl Potts; 194—Russ Kuhns; heavyweight—Larry Warwick.

Salick, Rhoton, Wiscomb, Potts, Kuhns, and Warwick qualified for the district meet held at R. A. Long.

Three of those who participated in the district meet qualified for the state meet held in Pullman. They were Wiscomb, Potts, and Kuhns, all seniors.

The junior varsity wrestling squad, coached ably by John Madson, has won twelve of fourteen matches this year. This is Coach Madson's first year as the junior varsity grappling mentor, and he deserves much credit for helping to produce such a fine record. This team lost only to Mark Morris and Hoquiam, once each.

The top three scorers of the jayvees this year were Brad Taylor, Joe Shapansky, and Greg Taylor. The following, in order, are the remaining top scorers: Dennis Marxen, Ed Kahler, Laddie Dooley, John Easter, Dick Craig, Bob Tillman, Dennis McAllister, Ven Malernee, and Mel Wood.

# VARSITY BASKETBALL

The Weatherwax basketball team this year did a fine job of keeping up the high standards of basketball and sportsmanship that this school is used to. The team showed a great desire to win in all their encounters with opposing teams. There was never a game this year in which our team let us down for a moment.

Their season record was five wins and thirteen losses, but, actually, they played much better than their record indicates. Throughout the year they seemed to be plagued by the loss of a star performer because of injuries or other mishaps.

The varsity squad consisted of three seniors and seven juniors. The seniors were Bob Oar, Allen Aho, and Bill Sipila, while the juniors were Johnny Vlastelica, Jeff Snell, Jim Due, Don Yakovich, Steve Penttila, Paul Ross, and Ed Fleming. With such an outstanding crop of juniors coming back, we should show a great improvement next year.

Individually, Jim Due was the high point scorer for the Bobcats with 203 points. Following him were Don Yakovich, 143; Bob Oar, 127; Johnny Vlastelica, 127; Ed Fleming, 120; Paul Ross, 39; Steve Penttila, 33; and Jeff Snell, 30. Dick Balderston and Bill Sipila also made a few baskets each.

The two outstanding games this year were those with Renton and Olympia on the home court. The highly rated Renton team barely squeezed by the tough Bobcats by two points in the final seconds. The Olympia game, in which Johnny Vlastelica scored 33 points, was hard fought and close all the way to the last buzzer, although, albeit, Olympia won by ten points.

The team and Coach Savitz did a fine job this year, and everyone at Weatherwax may be proud of their performance.

Mr. Leonard Lawr, Coach

This year's twenty-six-man team has had an extremely successful season under the direction of Coach Lawr. The team's record is ten wins with only five losses.

Those qualifying for the State Meet were Les Funk (diving), Frank Rupert (50 free style, 100 free style, and relay), Bruce Kolts (100 fly and relay), Tom Marrs and Jim Griffith (50 free style and relay), Ed Dahlstrom (100 backstroke and relay), Ron Murphy (400 free style), Rich Walloch (100 breaststroke), and Steve Walker (100 breaststroke and relay).

Coach Lawr expects the team to be even better next year.

# POWDER PUFFS

The Girls Athletic Association has completed a highly successful year. Under the leadership of Mrs. JoElla Heikel and the officers, Ann Swanson, Pam Helm, Judy Lawson, and Norma Whitacre, they have participated in many sports.

Some of the sports of greatest interest were volleyball, basketball, softball, and tennis. A manager was appointed to take care of the equipment to be used for each sport.

In the G.A.A. girls must earn a certain number of points to remain members. They may also earn a certain number of points to remain members. They may also earn a letter on the same point system. They earn a certain number of points for the different turnouts, for outside activities and for holding an office in the organization including the office of Seasonal Sports Manager.

In the spring of each year an inspirational award is given to a deserving senior girl. She must have earned two letters and be selected by a majority of the members. She is judged on the basis of sportsmanship, cooperation, friendliness, and must have at least a "C" average. The winner of this award for 1962-63 had not been selected at the time of our Quinault deadline.

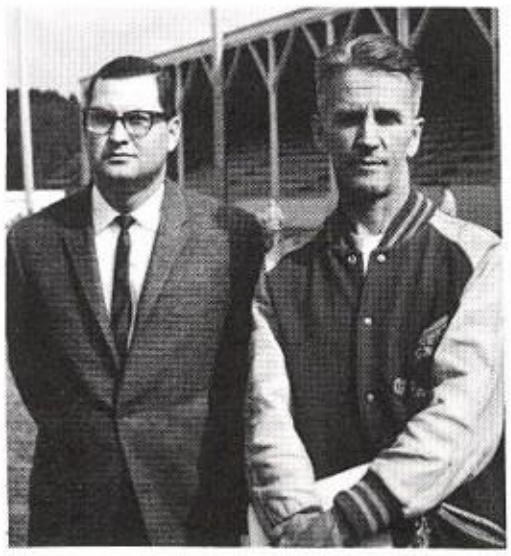
# THE CINDERFELLAS



Coach Denger, Coach Bivens

Al Bivens' 1962-63 track team was a well-rounded club that was rated as one of the strongest squads in the state. This senior dominated squad caused havoc for the opposition throughout the year. Four track men who went to the State meet last year as juniors formed the powerful nucleus in this year's squad. They were: Russ Kuhns, shot put; Gary Hanson, discus; Bob Oar, 220 and 100 yard dash, and 880 relay; Gary Langhans, 220 and 100 yard dash, and 880 relay.

All events were entered by two or three outstanding performers from Weatherwax. Each man on the track team was always eager to unveil his fine talents and when he did, his opponents felt it deeply.

The team this year impressed school officials as well as sports fans with their high athletic abilities and outstanding show of sportsmanship. It was truly a fine year for the Aberdeen cindermen.

# HUNDRED MILE CLUB

Kainber, Tolomei, Nutter, Smith.

The purpose of the Hundred Mile Club is to give the boys who are not out for a fall sport a chance to compete in an activity that will result in great physical benefits, and develop an interest in track.

The goal of each participant in this activity is to run one hundred miles. Upon completing one hundred miles, the participant receives the gold One Hundred Mile Club sweatshirt.

From this point the boys continue toward the 200-mile mark. The first boy to run two hundred miles receives a trophy. This year the recipient was Tom Nutter.

These boys run every night after school and truly deserve all awards they receive.

# CLIMBING HIGHER

# Sophomore Class History

Entering the strange halls of Weatherwax for the first time was a thrilling moment for the class of 1965.

A dream that is now a reality—high school at last with one year completed! It has been a year filled with joys and sorrows, troubles and mishaps, but one that was new and different for us. The high school curriculum in itself proved to be a real challenge. It was one more step toward the future.

The first year of high school has been a never-to-be-forgotten experience—the first three years packed with fun, excitement, and opportunities to learn. Several weeks passed before the class felt that they were really a part of the Weatherwax way of life. Soon everyone became busy with the new clubs and many other activities.

The first major class project was the annual Sophomore Hop. This year the theme was Goblin Gallop. It was carried out in a Halloween theme on October 27. The sophomores also took an active part in the Weatherwax Drive. With the help of the officers and advisors, they organized a number of projects and worked hard to do their part in the campaign.

The class of "65 elected Frank Childers as President of the class, Kathy Osterhout as Vice-President, and Kathy Wintrip as Secretary-Treasurer. Class Senators were George Gauntlett, Bob Campbell, Bill McCaw, Jim Longman, Bonnie Burr, Lynn Copland, Jackie Garrett, and Marilyn Morgan.

# Junior Class History

During the school year of 1962-1963 the Junior class has done much to boost school spirit. Steve Hatfield, class President, has led the class with genuine efficiency.

Helping Steve to govern the Juniors were Barbara Hall, Vice President and Kathy Fuller, Secretary-Treasurer. The class advisors were Mrs. Minnie Fenenga and Mr. Ingram Traxler. The Senators who represented the class for the year were Mary Dobrovich, Marcia Gauntlett, Ellen Espedal, Eva Thomas, Lee Carey, Luther Brownrigg, Tom Marrs, and Mike Magee.

The Junior class has made a sincere effort toward betterment of themselves, not only in scholastic achievement, but in school activities. With these as goals, the Juniors participated in the presentation of the annual Junior-Senior Ball, while another annual event, the United Weatherwax Drive, found them working efficiently together again.

With the completion of this year, the Juniors are now making ready to step up to the Senior level. This past year has been filled with fun, excitement, and learning. We are confident that next year will be even better.

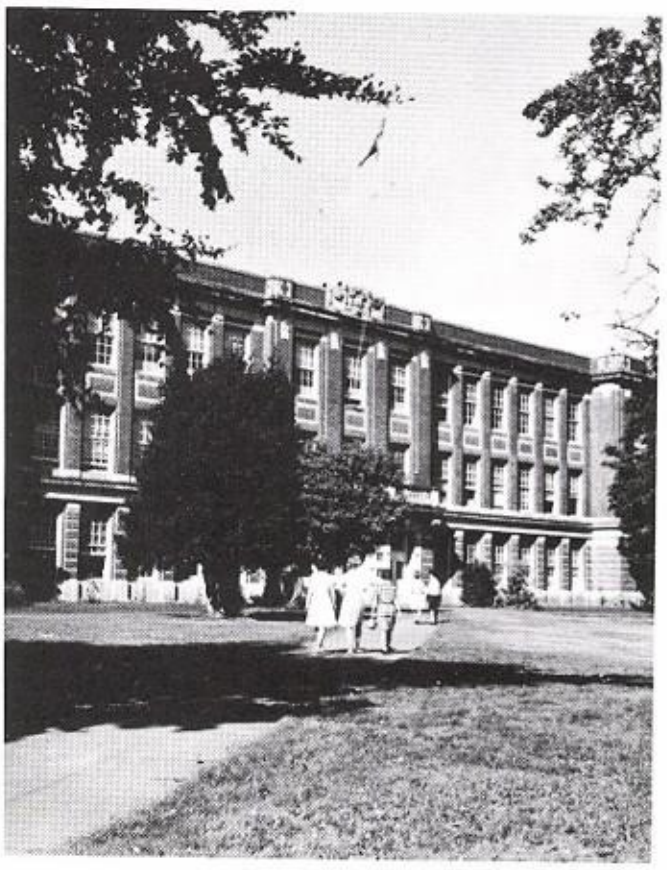
## Senior Class History

As we, the seniors, step up to receive our diplomas on graduation day, we look back on the three wonderful years we have spent at Weatherwax High. These years were filled with enthusiasm, victories, defeats, hard work and good times.

We began our efforts as sophomores in 1960. The officers who led us through our first year were: President, John Acker; Vice-President, Janice McNulty; and Secretary-Treasurer, Marcia Allen. Our hard work was reflected in the March of Dimes Drive. Although we didn't win, we lost by only a small margin and were determined to do well again in our junior year. We also planned and enjoyed the Sophomore Hop which was a success.

After summer passed we returned to high school as juniors. Now we were in the middle. We usually knew what to expect during the year but something new and challenging was always awaiting us. During this year our class officers were: President, Russ Kuhns; Vice-President, Jim Welch; and Secretary-Treasurer, Sandy Jelovich. We were very proud when we contributed the largest amount to the United Weatherwax Drive. Another successful project of the year was the Junior-Senior Ball. Our efforts were made well worthwhile by the colorful and delightful occasion.

Once more summer passed and as we again entered the high school doors, we knew it would be our last year. Aided by President, Tom Edison. Vice-President, Mike Burton; and Secretary-Treasurer, Judy McClintock, the senior class was determined to leave a little bit of ourselves at Weatherwax when we left in June. We made plans to give a school flag to the student body, and by various projects we earned the money. We again worked hard to make the United Weatherwax Drive a success. The Junior-Senior Ball, the Senior Class Play, Class Night, and all other extra-curricular activities played an important role in our last year and we participated enthusiastically.



As We Leave AHS

Now at commencement we look back. We will miss the rooter buses, the pop quizzes, the candy wagon, the teachers, pep week, the study halls, the downpours between classes, the special bulletins, the games, our younger classmates, and all of the other memories that we will recall of our Weatherwax days. But we will also look ahead and hope that as each member of the class goes his own way, he will continue the spirit and motivation of the Weatherwax High School Class of '63.

In parting we quote this appropriate poem:

A little work, a little play
To keep us going—and so, goodday!
A little warmth, a little light
Of love's bestowing—and so, goodnight!
A little fun, to match the sorrow
Of each day's growing—and so, good morrow!
A little trust that when we die
We reap our sowing! And so—good-bye!

—George du Maurier
